

Activity Request Sheet - Church Day Groups Only

Name of Group: _____

Group Supervisor: _____

Please note:

All activities will be programmed into one and a half hour rotation slots.

The maximum number for groups is 15.

The rates below apply to day groups only (no accommodation).

Please select your activities:

- 1 Tick the boxes of the activities you would like in your rotation
- 2 Enter in the number of groups you have in column C (max 15 per group) next to each activity you have selected
- 3 On each row, multiply the cost per session (column B) by the number of groups (column C) to get the activity cost
- 4 Add up column D to get the total cost of all your selected activities (this is the amount your group will be charged)
- 5 Enter the number of paying participants at the end of Column E
- 6 Divide the total cost by the number of paying participants to work out the per person cost to add to your fees
