Our Leaders

FATHER FIGURES AND GREAT ROLE MODELS!

Our leaders are screened by Camp Clayton and we understand the level of trust we receive from parents while your child is in our care. We believe that every boy has the right to spend safe, quality time with other men and we place value in men teaching boys true masculinity and strength of character.

Each cabin has one Father Figure and a Big Brother to every four campers, ensuring plenty of quality time for each boy.

Our Aims

WITH SOLO SONS, WE AIM FOR EACH BOY TO:

- Spend quality time with their leaders and experience a positive male role model in their lives.
- Learn more about God and what qualities He values in men.
- Learn to respect one another, enjoy teamwork, value friendship, receive encouragement and be unconditionally loved and appreciated.

The Program

ADVENTURE, FUN AND COOL BOY ACTIVITIES!

Boys will be encouraged to be adventurous and enjoy games like Capture the flag, The Giant Swing, Archery and heaps more true guy activities!

They will build a special project and each day spend time learning about Godly men of the Bible!
